Dear GNCS Director:

We are very pleased to announce that Greater Newark Charter School has been chosen to receive the 2009 NJ Charter Public Schools Association *Cultivating Quality Education* Charter School Award.

The NJCPSA *Cultivating Quality Education* awards recognize the people who work to make charter schools and students successful. Your nomination letter presented strong evidence of your school's qualifications in this area, and our reviewers responded by selecting Greater Newark Charter School for this distinction.

NJCPSA is proud to recognize your school's achievements at our *Cultivating Quality Education* Awards Banquet on March 31, 2009, at 7:00 pm at the Trenton Marriott at Lafayette Yard. We hope you will join us in celebrating all our award winners.

Please email or call Gayle (ghorvath@njcharters.org 609-989-9700 x4413) if you have any questions.

Congratulations from all of us at NJCPSA!

With kind regards,

Karen Thomas
